Subject: Request for the Extension for Application 10/627,636 – Election of Species

Dear Mr. Therkorn:

We would like to request a 30-day extension for our response to the communication we have received from USPTO. The communication was sent to our attorney Sidney N. Fox on 11/28/2004. At that point USPTO was not aware of the Revocation of Power of Attorney that we faxed to the Petition Unit of USPTO on 12/1/2004. We received the communication from Mr. Fox on December 19, 2004 and due to the holidays were unable to respond in a timely manner (before December 30, 2004, as specified in the letter). In the last couple of weeks I tried to contact you and left three voicemail messages at (571) 272-1149. Unfortunately, my messages were not returned, and now I'm trying to send this request by fax.

I am attaching the Power of Attorney Revocation for your records. Please send all communication by fax or mail directly to me at the address above.

I wish you and your family a Happy New Year.

Thank you very much,

Regards,

Vlad Orlovsky
